2.27 Award of Contract

(a) Post-qualification

2.27.1 In the absence of pre-qualification, the Procuring entity will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.27.4

(b) **Award Criteria**

2.27.5 The Procuring entity will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

(c) **Procuring entity's Right to Vary quantities**

2.28.1 Prior to the expiration of the period of tender validity, KEVEVAPI will notify the successful tenderer in writing of the intention to enter into contract.

2.28.2 The notification of award will signify the formation of the Contract but will have to wait until the contract is finally signed (not earlier than 14 days) by both parties. Simultaneously other tenderers shall be notified that their tenders have not been successful.

2.28.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 2.30, KEVEVAPI will promptly discharge the tender securities, pursuant to paragraph 2.14

2.29.2 The parties to the contract shall have it signed within 30 days but not less than 14 days from the date of notification of intention to enter into contract unless there is an administrative review request.

2.30.2 Failure of the successful tenderer to comply with the requirements of paragraph 2.29 or paragraph 2.30 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event KEVEVAPI may make the award to the next lowest evaluated Candidate or call for new tenders.

2.31 Corrupt or Fraudulent Practices

2.31.1 KEVEVAPI requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts.
